Information on VISA and JTS Policy

1. In order to obtain a visa for Japan for the purpose of attending the JATA Tourism Forum & Travel Showcase 2011(JTS), you must apply at the Japanese Embassy in your country. It is likely that you will be asked to provide the name of a guarantor in Japan. Please note, however, that JTS secretariat cannot be your guarantor. Otherwise, if you have Japanese partner, please contact them for your visa purpose.
2. JATA does not send official invitation letters. The only assistance that JATA is able to offer is to issue your registration confirmation promptly upon receiving your registration form and fee payment. The registration confirmation might be useful when presenting your case to embassy officials, but will never guarantee your acquisition of a visa.
3. Obtaining a visa is not always an easy process and may take an extended period of time. Please do not delay if you decide to attend the Show.
